

Network Relations contact information and coverage areas

Aetna Better Health® of Illinois takes great pride in our network of physicians and related professionals who serve our members with the highest level of quality care and service. We are committed to making sure our providers receive the best and latest information, technology and tools available to ensure their success and their ability to provide for our members. We focus on operational excellence, constantly striving to eliminate redundancy and streamline processes for the benefit and value of all our partners.

Our Provider Relations Team is assigned to designated areas throughout the state and are located within the communities in which they serve. This team is dedicated to meeting the needs of our providers. We are subject matter experts and are available to providers for education, training, and support. We assign every participating provider a **Provider Relations** representative (*Network Relations Manager or Network Relations Analyst*).

[Network Relations Managers](#) are assigned to specific providers identified as [Tier 1 Providers](#).

[Network Relations Analysts](#) are assigned to all other providers based on [Specialty and Region](#).

If you are unable to identify your Provider Relations representative, please send email communication (including TIN) to ABHILProviderRelations@aetna.com.

Aetna Better Health of Illinois offers a provider services line by calling (866) 329-4701 (Monday through Friday 7 AM-7 PM)
Please submit demographic updates by sending the completed IAMHP roster to: <u>ABHILProviderUpdateRequests@AETNA.com</u>
General Questions can be sent to: <u>ABHILProviderRelations@aetna.com</u>
